

AMRITHA SELVAGANAPATHI

Melbourne, VIC • amrithas1205@gmail.com • 0481 775 152 • [LinkedIn](#)

Computer Science student at RMIT University working across front-end development, UX/UI design and product development. Most recently the sole UX/UI Designer on an IBM industry capstone, delivering a live AI-powered training simulation alongside developers in an Agile team. Builds responsive interfaces in React, JavaScript and TypeScript, and grounds design decisions in user research, usability testing and close collaboration with stakeholders, turning user needs into clear, usable digital products.

SKILLS

UX/UI & Design: Figma • User Research • Wireframing • Prototyping • Usability Testing • Design Systems • Information Architecture • Accessibility

Front-End Development: HTML • CSS • JavaScript • TypeScript • React • Node.js • Responsive Design • API Integration

Product & Collaboration: Agile/Scrum • Stakeholder Communication • Developer Handoff • User Interviews • Presentations • Client Relations

Tools & Platforms: Git • GitHub • VS Code • MySQL • Firebase • Microsoft Teams/Planner

PROFESSIONAL EXPERIENCE

TI MedTech (Remote)

July 2026 – October 2026

Product Development Intern

- Researched and authored two full training modules (Product Design Intent and Prototyping Intent) for the company's internal 12-domain IntenTion Framework, used to train and present to internal stakeholders.
- Synthesised complex regulatory and engineering material (FDA, ISO 13485, IEC standards) into clear, presentation-ready content for both technical and non-technical audiences.
- Built structured, case-study-driven learning material covering product classification, sub-systems thinking and prototyping method selection.

Woolworths, Port Melbourne

March 2026 – Present

Customer Service Representative

- Delivered friendly, reliable service in a fast-paced, high-volume retail environment, building rapport with a broad range of customers.
- Resolved payment and self-checkout issues calmly and efficiently, strengthening communication and problem-solving through daily face-to-face interaction.

PROJECTS

IBM Consultancy 101 – AI-Powered Training Simulation (RMIT × IBM Capstone)

July 2026 – October 2026

UX/UI Designer | Figma | Design Systems | Prototyping | User Flows | Agile | [Live Site](#)

- Sole UX/UI Designer in a five-person Agile team (PM, BA, two developers) that designed and shipped a web-based 2D RPG simulation for IBM that trains new graduate consultants through six stages of the consulting lifecycle.
- Designed the end-to-end experience in Figma, from level structure and user flows to high-fidelity wireframes and an interactive dialogue mockup covering multiple-choice, AI-loading and free-text states for LLM-powered client conversations.
- Built a design system of locked colour and typography styles, removed the leaderboard to support psychological safety for new hires, and handed off designs to developers each sprint.

DropBeat – End-to-End UX Case Study

May 2026 – July 2026

Figma | UX Research | User Testing | Prototyping | Design Thinking | [Presentation](#) | [Prototype \(Figma\)](#)

- Led the end-to-end UX design process for a music discovery app, acting as the main point of contact between users, stakeholders and the design process from research through to an interactive prototype.
- Conducted user interviews, competitor analysis, affinity mapping and usability testing, translating feedback into personas, user flows, wireframes and a medium-fidelity prototype presented to peers.

Teaching Team Selection Platform

March 2025 – June 2025

React | Node.js | MySQL | HTML/CSS | UX Design | GitHub | [GitHub Repository](#)

- Collaborated within an Agile team to build a web-based tutor selection platform using React, Node.js and MySQL, communicating regularly with teammates to align on requirements and priorities.
- Designed and built responsive, user-friendly front-end interfaces, contributing to front-end development, database design and version control via GitHub.

EDUCATION

RMIT University, Melbourne

Expected Graduation: July 2027

- Bachelor of Computer Science
- UX Design Short Credential – Symplicit × RMIT (Completed with High Distinction)
- User Interface Design Short Credential – Symplicit × RMIT (In progress)

Garden International School, Eastern Seaboard (Thailand) – IB Diploma

2021 – 2023
